Dear Dean Davies:

Re: New Campus Proposal

I am pleased to write this letter of support for your new campus initiative. Deep River Council is very supportive of your efforts to bring a new campus to the Ottawa Valley. A new campus will be extremely advantageous to the entire area. Modern facilities and expanded programs will potentially allow us to keep more of our young people here and to attract people from other areas.

The timing of this initiative is excellent in that the need for training in the Deep River Area is probably at an all time high. Our major employers are growing significantly and creating a great need for trained people in a variety of areas. Your efforts to meet this growing need with a new campus are to be applauded and we wish you every success with this exciting proposal.

We look forward to hearing more positive news as this project progresses.

Sincerely
