Dear Ms. Davies:

I am forwarding this letter of support on behalf of the council for the Township of Killaloe, Hagarty and Richards, for the expansion of Algonquin College in Renfrew County. Having a college campus in our county not only enhances the opportunities for education for our youth, it also enables the continuation of adult education classes as well as training and apprenticeship programs. This in turn leads to increased job opportunities and ensures the sustainability of our labour force and our continued economic viability.

We fully support the college's plans for expansion in Renfrew County, which we anticipate will lead to additional opportunities and enhanced programs for our residents. We look forward to a favourable response to the expansion proposal from Algonquin College in this regard.

Yours truly

Janice Visneskie, Mayor
Township of Killaloe, Hagarty and Richards
