

CENTRE for CONTINUING and ONLINE LEARNING

Welcome to **Algonquin College!**

Please follow the link below to the Centre for Continuing and Online Learning website. Once on the website select the program you are interested in and pay close attention to the “Admission Requirements” area. Many of the programs require additional information and/or documentation in order to complete the program. Some of the additional requirements may be CPR and/or First Aid, Immunization records and a Police Record Check. In a few cases additional testing is involved. The individual program website will define what is required. If you have questions, contact information is included at the bottom of the webpage.

Algonquin College thanks you for your prompt attention to these matters.
